Haddam Garden Club Meeting at Whole Harmony Apothecary

The January Haddam Garden Club meeting will be held Wednesday, January 10 at Whole Harmony Apothecary in Haddam. One of the owners will talk to the group and give a tour of the facility. Samplings of some of their most popular products will be available. They make hand crafted artisan teas, tonics and elixirs right on the premises. The presentation will begin at 11:00 am and will be open to Garden Club members and membership applicants. Whole Harmony Apothecary is located at 1572 Saybrook Rd. in the Tylerville section of Haddam.

We should all have our seed catalogs and favorite online seed sources by now. It's time to get cozy and peruse them, noting the things you want to grow. Be conscious of the growing space you have and restrain yourself. I find this very hard.

I hope everyone has noticed the new blue spruce on the Haddam Green. The club had the old (mostly dead) one removed and replaced it with a lovely, younger, blue spruce. Barb Stellenwerf took care of all the details. Thank you Barb—It looks lovely.
